YOU'VE BEEN COMMISSIONED!

Based on what your form said, this is what I've come up with...

If you are happy with the sketch, please send deposit and email me to proceed.
If you require changes, please email me being as descriptive as possible of what you want changed - you may do this for free and I will begin based on that. If you'd like additional drafts for a visual before I start, please be sure to request one in that same email.
