## Housekeeping

- > This sheet provides estimates only and the total price you pay can be higher or lower based on other factors such as applied coupons, discounted canvas pricing, additional work / requests, etc.
- > For the most accurate pricing be sure to add everything that you will require together - base canvas price, paint fee, art category, and shipping / delivery are mandatory costs to factor. Add-ons are optional.
- > A form is still required to be filled out prior to me fulfilling your order, please fill it out as accurately as possible to get the correct price and deposit amount for what you're seeking.
- > If I am providing the canvas, the deposit will be the price of the canvas itself plus \$25. If I'm not, it is half the total price of your work and add-ons. It is nonrefundable and I will not begin your order until it is paid.
- > Please read the entirety of the FAQ page prior to placing an order. It includes my policies, care instructions, timeline to completion, etc. If you have additional questions, please contact me via email or socials.

\*Canvas Estimates as of June, 2024\*
